“Supporting the Children
of Our Fallen Heroes.”

Marine Corps-Law Enforcement Foundation

DEAR FRIENDS AND PATRIOTS,

On behalf of the Marine Corps-Law Enforcement Foundation, we ask for your participation and support of the 4th Annual Arizona Golf Tournament to be held on September 5, 2008 at the Desert Mountain Golf Club.

Since 1995, the Foundation has provided financial assistance of over \$30,000,000 to the children of our nation's fallen heroes in the military and law enforcement. Due to the unselfish generosity of many Americans, the Foundation's mission of assisting these children continues to be realized every day. Unfortunately, the number of families who need our support continues to grow, and we desperately need your help.

Since our first Arizona event in 2005, the Foundation has been able to provide \$200,000 in direct support to Arizona families. These events are a lot of fun and present an opportunity for us to give back to the families who have sacrificed so much for our country. Their courage is second to none, and we promise that your heart will be forever changed once you have had the opportunity to meet them.

Thank you for your consideration. This tournament is not possible without the generous support of many sponsors, volunteers and, of course, golfers, and we thank each one of you. Your participation at any level is deeply appreciated and needed. We have various levels of sponsor opportunities and need 144 golfers to fill up the magnificent Apache Golf Course at Desert Mountain. We also need your help in distributing information on the tournament and the Foundation to others who care about our military and law enforcement families and would like to help.

We look forward to seeing you on September 5th for another memorable day, not only because of the fun and companionship we will certainly experience playing one of Arizona's finest golf venues, but because of what we can do for those who need our support and prayers.

Semper Fidelis,

KIRK TUSHAUS and **J.P. HOLYOAK**

Tournament Co-Chairs
